

Angelus Planter Wall

Perfect for any landscape, lightweight and easy-to-handle. No special tools are required and the secure, interlocking design makes installation easy. These units are made of high-strength, low-absorption concrete to provide permanent, environmentally safe walls that are virtually maintenance free.

Download a how-to brochure for **Angelus Landscape Units (English)**, or **Angelus Unidades Del Paisaje (Español)**, that includes Angelus Planter Wall units and Rustic Wall Stone.

Stonewall® II Olympic Series

NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
